

Attention Ms. Jackson,

I am proud to submit my comments in support of Midas Gold Idaho's Stibnite Gold Project. This project presents our state with an incredible opportunity to bring well-paying jobs to rural Idaho, boost our state's economy and use private investment to clean up a brownfield site.

Midas Gold Idaho wants to invest \$1 billion in our state, bring more than 1,000 jobs to rural Idaho and contribute millions of dollars in taxes. This is the type of project our state needs. As Midas Gold Idaho grows, it wants to help Idaho families grow along with it. The company has made a commitment to hire locally whenever possible. And they are going to help prepare Idahoans for these well-paying jobs by providing job training. The average salary of Midas Gold Idaho employees is anticipated to be \$80,000. Many individuals in this region have had to depend on seasonal work, having a steady paycheck could change many lives.

For the above reasons and many more, please move forward with alternative 2 of the Stibnite Gold Project as it is important to all Idahoans.

My best,

Name: James Settles
