

Dear Ms. Jackson,

It is with great pleasure that I write to the U.S. Forest Service to encourage you to permit the proposed activities outlined by Midas Gold in Alternative 2 during this public input process.

I urge you to approve the project as outlined by Midas Gold in Alternative 2, it is the best of the alternatives outlined by the USFS. The Stibnite Gold Project will provide a huge benefit to our community and the local environment. The USFS has taken meaningful measures to ensure the public has had enough time and resources during the public comment period.

While the economic benefits of this project cannot be ignored, it also will transform an area in need for environmental repair. It is for all of these reasons that I encourage you to move the Stibnite Gold Project forward as outlined in alternative 2 within this 60-day comment period.

Thank You,

Name: Jerry Dutt
