

Dear Ms. Jackson,

I am writing to express my full support of Midas Gold Idaho and the Stibnite Gold Project. Over the past several years Midas Gold has shown its commitment to Valley County and the state of Idaho and I encourage you to permit the proposed activities outlined by Midas Gold in its Alternative 2.

Mining provides jobs and opportunities that are important for our local economy. I am grateful to know Midas is committed to hiring locally and purchasing materials locally as much as possible. The Stibnite project will generate hundreds of job opportunities in construction and operations. This type of project will undoubtedly boost our local economy. Mining is an important contributor to a strong economy in Idaho and I know the Midas project will be no different. I support the Alternative 2 proposal because it is the safest way to bring these opportunities to life.

Midas Gold wants to restore the rivers, wildlife and habitat near the Stibnite Gold Project site. We should let them. The Forest Service has given meaningful time to review the document and comment. Further extensions are not necessary and will only hurt Idahoans by delaying the benefits of the project. Please permit Alternative 2 of the Stibnite Gold Project as outlined in the draft Environmental Impact Statement.

My best,

Name: Angela Lukecart
