Comments: Applications for Permit to Drill (APD's) in the Sespe Oil Field

Dear Mr. Schwartz:

I urge the Forest Service to prepare a full Environmental Impact Statement before approving any fracking operations in Los Padres National Forest. Thank you for your efforts to protect our forest and surrounding communities.

I also urge you to take all measures to protect endangered California condors and steelhead from the impacts of oil development. Please ensure that spills of oil and other hazardous chemicals do not enter Sespe Creek or its tributaries.
