Comments: What an area of scenic beauty this is. Full of natural elements that benefits the local environment and surrounding areas. A view that is incomparable providing such a scenic landscape that can inspire and calm. As an individual from Northern Ireland, I feel so fortunate to have found this little slice of heaven that is so rare. I often ask myself 'how did I end up here?'. I have this view in my mind most weeks, on a t-shirts, on print in my house and has been an inspiration for a piece of videography I have made and many other thoughts and projects. It would be such a shame to see this area be affected in such a negative way when it's impact has been so positive.
