Comments: In the 80s when I came here it was deemed the natives was like hostiles of a forjon country don't mine here.

These resources are valuable resources of future generation to protect against nuclear winters caused by asteroids and volcanoes. 9 billion people don't justify the uses of the resources.

There is no howy for miners and ... does not fit in with the ski industry Do not mine Red Lady it to my religious property to back pack I hope.
