First name: Kate
Last name: Barlow
Organization: State of Wyoming, Office of Governor Gordon
Title: Policy Advisor
Comments: Attached, you will find three documents that together make up the State of Wyoming's comments:

1) A letter from Governor Gordon
2) A spreadsheet with the State of Wyoming's comments on the draft environmental assessment
3) A spreadsheet with the State of Wyoming's comments on the revised draft management plan

Multiple Wyoming State agencies provided comments. If you have questions about a comment, the spreadsheets identify which state agency made it.
