First name: Charlie

Last name: Little

Organization:

Title:

Comments: My wife & I are members of Frontier 4X4 & Continental Four Wheel Drive Association in Montana. We enjoy this great State by off-roading in a full size Jeep. My wife is handicapped & this is her only way to enjoy the the beauty of the USA. Please open the trails & roads to responsible off-roading as our clubs with Montana 4x4 Association volunteer with the Forest Service to maintain the on going accessibility.
